50 Boys Taking Part in Piper Football Workouts

About 50 boys are taking part in the twice-a-day workouts that started here Monday as the Pied Pipers start getting ready for another football season, according to Head Coach D. C. Andrews.

Andrews has six starters back this year and five other boys who lettered last year as he prepares for one of the toughest schedules ever faced

by a Piper eleven. Thirteen seniors, 12 juniors, 10 sophomores, and 13 freshmen were working out by Tuesday afternoon.

The boys and their coaches are having to do a lot of skull practice this year as they have changed formations. The Pipers will operate from the Wing-T formation with several variations rather than the bas-

ic straight T that they have used in the past. The boys will run from six different variations of the Wing-T with split ends, strong side lines and variations on the location of the wingback.

The team will scrimmage Clyde here Thursday, August 27, in the one scrimmage allowed this year under the current regulations.

The six starters back this year are Robert Pearce, Rupert Compton, Johnny Overman, Mike Shivers, Charles Prowit and George Bonds. The coaches are still working on their string lineup for this season and expect to field a strong starting lineup for this season earned about the shortage of reserves.

Andrews will be assisted again by the same coaches as last year: Sam Walker, Jerry Larned, Dan Truelove and Grady Allen, junior high coach.

The boys will be introduced to the local fans at a free barbecue to be sponsored by the Piper Booster Club, Saturday night at the football stadium.

The boys will open the season here Sept. 4 with Rotan.

1.63 Inches Rain Falls Here Since Friday Evening

Rains here since Friday amounting to 1.63 as gauged at the City Pump Station have brought temporary relief from the above 100-degree temperatures.

The rains have been quite spotted and some areas have received heavy showers while others have received very little moisture. The area north of Hamlin, Hinton and McCaulley have gotten more rain than the areas south of here.

Just last week Hamlin was made eligible for haying and grazing privileges on diverted cropland because of drought conditions. Even though the rains have been spotted the grazing land has benefited to some degree from the moisture.

W. W. Fletcher, manager of the Hamlin Farmers Coop Gin, said Wednesday that it would probably be about three weeks before the effects of the rains on the cotton could be determined. He said a good general rain of three to four inches is still needed to assure a good cotton crop.

The water level at Hamlin's South Lake has not risen after the recent rains. The watershed of the lake is mostly farmland and tanks on the watershed have to fill before the lake begins to get the run-off. The lake area received about two inches Friday and .06 Tuesday according to J. C. Cauble, lake keeper. The water is about seven and one-half feet from the spillway.

The city of Hamlin purchases water from Lake Stamford and does not depend on the two lakes for public water supply although South Lake is a popular fishing spot and the West Lake is used for water sports.

The official readings for Hamlin were Friday evening, 1.10; Monday morning .07; Tuesday afternoon .46.

Frances Bailey of Paris, Mr. and Mrs. Leslie M. Cole and Mary Leslie of Slaton, Mr. and Mrs. Joe Koch and Jimmy of Riverside, Calif., visited with their mother and grandmother, Mrs. Ed Bailey last week.

V. R. Leverett Resigns at Old Glory School

The Old Glory School Board has announced the resignation of V. R. Leverett as Superintendent. Mr. Leverett has accepted the position of Superintendent of Wylie Schools. He replaces R. H. Landers, who is taking a year's leave of absence.

Mr. Leverett has been superintendent of Old Glory Schools for ten years, coming here from Munday in 1954 where he held a coaching position. He has also taught and coached at Clyde and in Jones County.

He has a B. S. Degree from Abilene Christian College and received his M. E. Degree from Hardin-Simmons University.

Besides being superintendent, Mr. Leverett also taught Driver Education, coached tennis and grade school basketball. His girls tennis teams won Class B state championships for the school in 1962, 63 and 64. This year both girls singles and doubles teams won the state championship.

During his term at Old Glory, a water line was built to the school that serves the entire town, the gym has been remodeled, a new cafeteria and four teacherages were built.

Mr. Leverett is a member of the Church of Christ. He has four children, Mrs. Ronnie Matthews and V. R. Jr. of Abilene, Sharon, a student at ACC and Jimmy, an eighth grader. Mrs. Leverett plans to stay at Old Glory for a while this year to teach the 3rd and 4th grade.

He will be replaced by Mr. J. L. South of Abilene. Mr. South was formerly a teacher and superintendent of the Peacock Schools in Stonewall County.

Pool to Close Here Saturday, Aug. 29

The Hamlin Swimming Pool will close for the season Saturday, August 29, according to the operator, Dan Truelove. Season tickets not used this year will not be valid next year. The pool is open afternoons Monday through Saturday and closed on Sunday.

Mr. and Mrs. P. A. Lander and their granddaughter, Wendy Smith of Houston visited Mrs. Lander's parents, Mr. and Mrs. G. W. Hidgon.

Local Schools Getting Ready for Fall Term

Superintendent of the Hamlin school system, Mr. C. F. Cook, announces that the Hamlin schools will open Monday, August 31, 1964. Registration for high school was held this week. Students in junior high and DePriest schools will register next week.

A general faculty meeting will be Thursday, Aug. 27, at 10:00 a.m. in the high school cafeteria.

Inservice teacher training will be held two days, Thursday and Friday at 10:00 a.m. in their respective buildings.

Superintendent Cook said the roster of the faculty is almost complete.

The buses will run the same routes and at the same times as last year. Dan Truelove and Fred Boen will be the drivers for the Hinton route, bus number 12. Sam Walker will drive bus 13 on the gravel pit route.

Other drivers and their routes are as follows: I. J. Starr, No. 14, colored route; Jerry Larned and M. S. Johnson, No. 15, Celotex route; Wayne Hodnett, No. 16, Wise Chapel; Grady Allen and H. L. Tuder, No. 17, H. L. Tuder; Gus Young, No. 20, Tuxedo; Johnson, city bus.

The buses will run their regular schedule Aug. 31.

The lunch rooms will be open the first day of school. The prices will be as follows: primary, 30c; elementary, 30c; junior high 35c; high school 40c.

The prices are the same by the month or by the day.

All school faculties are complete except Oscar DePriest which is expected to be completed this week. DePriest teachers will be announced next week.

Other teachers in the Hamlin Public Schools are as follows:

Primary school — Mrs. Fred Smith, principal and second grade; Mrs. Charles Connally, Mrs. R. B. Hennington, Mrs. Harold Williams and Mrs. Jerry Larned, first grade; Mrs. Leldon Clifton, Mrs. Joe Nor-

ton, second; Miss Viola Avants, Mrs. Harvey Elkins, Mrs. D. W. Stell, third.

Elementary school — Miss Odean Murphree, principal and fifth grade, Mrs. Ethel Allan, Mrs. Tim Jones and Mrs. F. F. Shout, fourth; Mrs. Earl Brown and Miss Maggie Seymour, fifth.

Junior high school — Marvin

D. Carlton, principal; Mrs. S. C. Ferguson, science; Grady Allen, coach; Mrs. Weldon Griggs, art; Mrs. E. N. Jenkins and Mrs. Edgar Lewis, language arts; Kenneth Leverett and Mrs. Weldon Johnson, social studies; Mrs. Willard Maberry, music; Miss Lola Milstead and Mrs. H. D. Stallcup, math.

High school — C. F. Cook,

superintendent; B. V. Newberry, principal; D. C. Andrews Jr., coach and math; T. C. Blankinship and Milburn Wink, agriculture; Mrs. Alra Felts, and Mrs. James Simmons, homemaking; Mrs. L. R. Fowler and Mrs. J. B. Jayroe, English; Mrs. Everett Gibson, history; Tim Jones, band director; Jerry Larned, coach and biology; Miss Dora Mitchell, commercial; Mrs. Dewey Nunley, librarian and English; Mrs. Charles Scott, English and Spanish; Dan Truelove, coach and algebra; Samuel W. Walker, coach and history; Harold L. Williams, science; Gus Young Jr., math.

Other school employees — Mrs. Loyd Burkhardt, secretary to principal; Mrs. J. O. Murphree, secretary to superintendent; Mrs. Erma Wallace, nurse; M. S. Johnson, bus mechanic; Haskell W. Carter, tax collector.

PRIMARY

Mrs. Fred Smith, principal of the primary school, announces that all students in the first three grades will need to be present at 8:30 a.m. Monday, August 31, and will need to have their school supplies in order to do their work.

The children will be assigned to their respective rooms and the names will be posted on the door of the classroom.

The first grade children will be dismissed at 2:40 p.m. and the second grade children will be dismissed at 3:15 p.m. All first and second graders who ride the bus will wait in the assigned room and will be supervised by a teacher of their respective grade. The third grade classes will be dismissed at 3:40 p.m.

Supplies needed for primary grades are as follows:

First: No. 8 crayolas, scissors, Big Chief tablet, large pencil, paste, school box (cigar type), large towel or throw rug and \$2.00 for practice books and other supplies.

Second: Big Chief tablet, No. 2 pencil, No. 16 crayolas, scissors, construction paper, Elmer's glue, school box (cigar type) and \$2.00 for practice books and other supplies.

Third: notebook, notebook paper, crayolas, scissors, ruler, No. 2 pencil, school box (cigar type) and \$2.00 for practice books and other supplies.

ELEMENTARY

Registration for fourth and fifth grade students will begin at 8:30 a.m. Monday, Aug. 31, according to Miss Odean Murphree, principal of the elementary school.

The names of all students who were enrolled in the Hamlin schools last year will be posted on the door of the room to which they should report. All new students will be registered by either of the teachers of their grade.

Students will remain at school after registration for a full day's schedule of work.

JUNIOR HIGH

Principal Marvin D. Carlton of Hamlin Junior High School announced pre-registration for junior high school students Monday, August 24. Seventh and eighth grade students will pre-register at 9:00 a.m. and sixth grade students at 10:30 a.m.

Students will need their report cards from last year. Textbooks will be issued.

OSCAR DEPRIEST

Registration for all students at Oscar DePriest School will be held Friday, Aug. 28 at 8 a.m.

Pupils from other schools entering Oscar DePriest for the first time must have report cards from the school last attended. All six year olds entering school for the first time are required to have birth certificates.

Teachers will meet at 8 a.m. Thursday, Aug. 27, for a planning session.

More Divisions, More Prizes Added for Homecoming Parade

Plans for the parade to be held in connection with the annual Homecoming of ex-students and teachers of Hamlin High School are being made by Mrs. Robert Fowler and Mrs. Garland Preston, chairmen. The parade will be held at 11 a.m. Saturday, Sept. 19.

The parade chairmen said this week that more divisions had been included and more prizes would be given for this year's parade floats and entries.

The school classes and organizations will be able to compete in either the beauty division or the open division.

Four prizes in each division will be given. First place will be \$30, second, \$20, third, \$15 and fourth, \$10.

The entries in the division for clubs, businesses or individual will also be in two divisions. The Board of Community Development is giving the Ex-Students Association \$100 to give in the two divisions to encourage the participation by local businesses, clubs and individuals.

The prizes in each division will be \$25 for first, \$15 for second and \$10 for third place.

The Association is giving \$5 for first place in the bicycle division. Second place will receive \$3 and third prize will be \$2.

The parade will also include children dressed as Pied Pipers. All children interested in being a Pied Piper may contact Mrs. Fowler or Mrs. Preston for instructions on costumes.

The Pied Piper entrants and those in the bicycle division will receive a free pass to the Rogue Theatre.

The Hamlin High School Band will be participating in the parade which will begin on West Lake Drive and proceed to South Central going South to Southwest Fifth. The parade will then return down Central to Simpson's Grocery on North Central where it will disband.

Cotton Defoliation Meeting Set Here Monday at 2 p.m.

There will be a cotton defoliation and mechanical harvesting meeting in the Hamlin High School cafeteria at 2:00 p.m., Monday, August 24, according to information this week from County Agent, Kirby Clayton.

Mr. Fred Elliott, Cotton Work Specialist and B. G. Reeves Cotton Gin Specialist with the Texas A and M University Extension Service will be on hand to present the information. All cotton farmers are invited to attend.

The specialist will also present a special program to the Stamford Young Farmers group on Monday night in the Agricultural Building.

Mrs. Ned Moore To Attend Annual C of C Meeting

Mrs. Ned Moore, secretary of the Hamlin Board of Community Development, will attend the annual conference of Chamber of Commerce managers and the West Texas Chamber of Commerce short course to be held in Amarillo Thursday, Friday and Saturday.

The program is being planned to include tourism, city management, industry, humor, chamber management, and other topics to be of interest to managers, secretaries, and others interested in the chamber of commerce work.

Mr. and Mrs. Tommy Hogan are visiting their parents, Mr. and Mrs. George Bury of Hamlin and Mr. and Mrs. Tom Hogan of Noodle, Hogan is manager of Stuckey's on Interstate 10 east of San Antonio. Mrs. Hogan is the former Sandra Bury.

Annual Fisher 4-H Rally Day To Start Today at 9:30 a.m.

The Annual Fisher County 4-H Rally Day will be Aug. 20. The program will begin at 9:30 with registration and recreation.

At 10:30 a program on Isometric contraction, new physical fitness training program being used by several colleges and high schools in training athletes. Curly Hayes of West Texas Utilities will be in charge of the program which will be presented by Coach James Glenn of Cooper High School, Abilene and several of his athletes.

The noon meal will be a sack lunch and cold drinks. Following the meal, demonstrations will be presented by 4-H members.

At 2:00 p.m. the party will swim in the pool at Rotan.

4-H members planning and conducting the program are Kay Schubert, Sharon Mitchell, Janet Guelker, Donnie Sheffield, Kenneth Green, Sandra Herron, Rebekah Crawford, Annette Cleveland, Deborah Sue Smith, and Michael Schubert. These 4-Hers will be assisted by County Extension Agents Alice Kemp and James Norman, and Junior Assistant Extension Agent Mrs. Barbara Dunaway.

Boys and girls interested in 4-H and friends of 4-H are invited to attend, said the program committee.

Visiting the Norman Carltons Sunday were Mr. and Mrs. Joe Carlton, Sarah and Kate of Tuxedo.

Public Hearing Set on Placing County Under Herbicide Act

Action toward placing Jones County under provisions of the Texas herbicide act was taken at the meeting of the commissioners court last week and a public hearing on the action has been set for Monday, September 3, at 2 p.m.

At this meeting all dealers, handlers and users of hormone type herbicides are asked to be present to show cause why the court should not recommend to the state commissioner of agriculture that Jones County be included.

Purpose of the herbicide act (H. B. 402) is to regulate the sale, use and transportation of herbicides. Licenses are required of sellers and permits must be obtained by users. Customer operators must have their equipment inspected at regular intervals and must be licensed.

Under terms of the law, a herbicide is "any substance or mixture of substances that produce a physiological change in any plant tissue without burning, such as 2, 4-D, 2, 4, 5-T, and their derivatives and used for the purpose of destroying, repelling or mitigating any weed."

Dealers must obtain a license and must keep a record of all sales of herbicides sold in containers having a net capacity of more than 8 fluid ounces.

Before an application of a herbicide can be made, a permit must be obtained from the Texas Commissioner of Agriculture. However, no permit is necessary where the herbicide is used on lawns or on a total acreage in any one year less than 10 acres.

Children Under 6 Must Take Test To Start School

The administration and school board has requested parents of all children that are under school age and will be six years old before January 1, 1965, that plans to enter school this year, to have their child take a readiness or aptitude test in order to determine if your child is ready and mature enough to start to school.

A tuition fee of \$10.00 per month in advance will be charged each child who attends.

It is very important that you contact Mr. Cook or Mrs. Fred Smith, so they can determine the number interested.

Mr. E. M. Connell, County Superintendent, will give the tests for these children in the Anson Elementary School building at 9:00 a.m., Tuesday, Aug. 25.

Riding Club Re-Sets Family Play Night

The weekly Family Play Night being held by the Hamlin Riding Club was cancelled last Saturday night because of rain and will be held tonight (Thursday) weather permitting.

The special events will be a timed Saddle Race for the women and a Man's Rescue Race.

The saddle race consists of the women running the entire length of the arena, catching her horse and saddling it up and riding it back across the finish line.

In the rescue race, one man stands in the arena and a mounted rider rides down and picks him up and rides back across the finish line.

The regular events that were scheduled for last Saturday will also be held tonight.

Rebels to Play in Abilene Tourney

San Angelo put the Hamlin Rebels out of the Robert Lee Tournament Saturday afternoon with a 7-2 victory. Earlier Saturday morning Big Lake defeated the Rebels 5-3.

Hamlin will end their season this week end at the Abilene Tournament. They play Saturday morning at the Nelson Field. It is located close to the Fair Grounds and the Municipal Airport.

NUMBER ONE ON THE BALLOT**

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 3, 1964.
SENATE JOINT RESOLUTION NO. 6 proposing an amendment to Section 5 of Article VII of the Constitution of the State of Texas so as to remove the authorization to transfer not exceeding one per cent annually of the total value of the permanent school fund to the available school fund.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. Section 5 of Article VII of the Constitution of the State of Texas is amended to read as follows:

"Section 5. The principal of all bonds and other funds, and the principal arising from the sale of the lands hereinbefore set apart to said school fund, shall be the permanent school fund, and all the interest derivable therefrom and the taxes herein authorized and levied shall be the available school fund. The available school fund shall be applied annually to the support of the public free schools. And no law shall ever be enacted appropriating any part of the permanent or available school fund to any other purpose whatever; nor shall the same, or any part thereof ever be

Superintendent Cook Tells of School's Condition as Term Starts

In preparation for the opening of a new school term, Mr. C. F. Cook, superintendent of Hamlin Public Schools, has released the following statement which should interest many parents and other citizens as well.

As the beginning of another school year approaches, it is appropriate that we consider our present education situation in Hamlin and the direction of the future.

"All school administrators and local Board of Education are constantly faced with problems which offer no simple solution. In the Hamlin school district, we must constantly re-evaluate our objectives and always ask, 'what is the proper role of education?' Two of the paramount problems are closely associated - the rising cost of supplies and equipment and insuring adequate financial support for these demands.

"Citizens of the district have met the challenge of providing necessary school facilities for this community.

"The Hamlin Board of Education has adopted a budget for 1964-65. The loss in values for depletion of oil was \$284,366.00. The local assignment from the State has risen, this is a loss of State funds annually to \$2,525.00.

"The Board of Education has cut the budget this amount in order not to raise taxes. We can depend on a loss of oil value each year in the future. The loss must be made up by other local sources.

"In addition to buildings and teachers, support for education is essential. When parents recognize achievement in school as being important, their attitude is reflected in their children. Effective education demands a close partnership between home and school, which must be based on mutual understanding and respect.

"At this point in the history of our country, we must do a better, more thorough job of educating our youth than we have ever before dreamed of doing. Our leadership is being

challenged by other nations. The road to survival is through education. We Americans must commit ourselves more deeply to strengthening our educational system. As our schools go, so our nation will go, for the successes or the failures of our public schools will influence profoundly our national destiny. Wisely, the choice has been placed in the hands of the citizens of each school district as to the quantity and quality of education which they wish to provide.

"A democracy demands of its education both quantity and quality. Never before have so many been educated so well as in the United States. These achievements have been the results of constant efforts to experiment, spurred by a desire to improve.

"The challenge of quantity has largely been met. Most of America's youth are in school and most classrooms have a teacher.

"But the challenge of quality is now more difficult to meet than ever. Attracting and retaining highly qualified teachers is a formidable problem. The body of knowledge that a secondary school must pass on to its students has expanded tremendously and growing at an enormous rate. An education would fail to fulfill its purpose unless it also contributed toward the progress of society.

"It is becoming increasingly clear that the residents of the Hamlin school district want the best of education for their children. As long as the residents are willing to support improvements with their tax dollars, the future looks bright for the youth of our community.

"We will continue to meet new challenges, and new problems. With the help and support of the good people of this community, we intend to meet each new challenge and to continue to provide a system of public education of which each member of our district can be justifiably proud."

C. F. Cook

Terry Ronald Scott To Receive Degree From Texas Tech

Terry Ronald Scott will be among the 550 graduates of Texas Tech in summer commencement exercises Aug. 22 at 7:15 in Lubbock Municipal Coliseum.

Scott, a 1960 graduate of Hamlin High School, will receive a bachelor of science degree in animal husbandry from the School of Agriculture.

Jerry Boyd Crowley To Graduate at A&M

Jerry Boyd Crowley will receive a bachelor of arts degree in mathematics from Texas A&M University Aug. 21 when the summer term ends.

Crowley will be one of 323 to receive bachelor degrees in the class of 535 graduates.

Mr. and Mrs. J. W. Carlton and sons, Russell and Roddy, of Uvalde visited his parents, Mr. and Mrs. Norman Carlton last week end.

Rambler Classic 770 "Cross Country" Station Wagon

Year's best savings on a best-selling wagon!

Rambler's Year-End Selling Spree is on now. Even during the regular selling season you could save \$240 or more* over a top-size Ford or Chevrolet. Now you may save even more because Rambler dealers are really dealing to clear the decks for the '65s. You get smart, sporty looks and more V-8 power than the standard V-8 in a Ford or Chevrolet wagon. With Rambler, too, you get Double-Safety Brakes, Deep-Dip Rustproofing, and other advantages you can't get on the other two best-selling wagons.

Live a little—with your savings, choose from sporty options like reclining bucket seats, console, floor shift (manual or automatic), power steering, power brakes, power windows... and lots more. Drive a Classic wagon to see how much car you've been missing.

*Comparisons based on manufacturers' suggested retail prices for top-line 4-door wagons with V-8 engine, heater and front seat belts. Prices may vary with dealer's individual pricing policy.

Drive a Rambler Classic V-8 Wagon

Mr. and Mrs. Thomas Campbell To be Honored on Anniversary

Mr. and Mrs. Thomas F. Campbell will be honored on their Golden Wedding Anniversary August 23 with a reception in the home of their son, Mr. and Mrs. George Campbell, 420 Northwest Ave. H. Friends and relatives are invited to call from 2 to 6 p.m. Sunday afternoon.

Mr. Campbell, born July 4, 1891, in Abilene, is the son of the late Rev. John and Sophronia Campbell of Abilene. The Rev. Campbell pastored Methodist Churches and hauled water in Abilene in the early 1900's. He helped organize the First Methodist Church in Abilene.

Mrs. Campbell, the former Seeny Dora Burfeind, was born March 10, 1895, in Taylor County. She is the daughter of the late Mr. and Mrs. John H. Burfeind who farmed and operated the wagon yard at Merkel.

The couple was married at the wagon yard in Merkel by

Rev. Ed R. Wallace on August 23, 1914.

Mr. Campbell farmed and worked at odd jobs in Taylor County until they moved to Plasterco, near Hamlin, in July, 1921. He was employed at the Gypsum Plant until he retired in 1955.

Mr. and Mrs. Campbell are members of Central Avenue Baptist Church.

The couple's six children will be here for the Fiftieth Wedding Anniversary celebration. They have four sons, George of Hamlin, Frank of Houston, Wesley of Tye and Lester of El Monte, Calif.; two daughters, Mrs. A. S. (Minnie) Stewart and Mrs. J. T. (Dorothy) Milsap, both of Abilene; 19 grandchildren and six great-grandchildren.

A weekly public service feature from the Texas State Department of Health

Accent on Health

J.E. PEAVY, M.D.
Commissioner of Health

AUSTIN — Suppose you had \$25,000 to invest... where would you turn for advice? You have two choices — an amateur or a professional advisor.

The same goes for your health, whether you realize it or not. Good health, the experts say, is worth of a \$25,000 price tag.

Where will you turn for advice about your health investment... your neighbor, a health quack or a physician?

Undoubtedly, your neighbor is both interested and concerned about your health and welfare. But beware words such as "I know someone who had just the same thing you do and she..."

Stop listening right there. Only your doctor can diagnose your case, or Mrs. Jones's. Different disease may have similar symptoms.

Whatever the source, always question a cure-all or sure-fire remedy. Carrot juice will not cure varicose veins or gout. Yeast cakes will not rehabilitate weary and worn body cells. And wheat germ oil will not cure arthritis, gallstones, cirrhosis of the liver or epilepsy.

Above all, beware of the health quack. This self-designated health authority is a fake. He is intensely interested in you... not in your welfare, but your money.

The old-time medicine show pitchman has given way to a much more suave and impressive scientific operator. Today the bogus health expert usually dribbles impressive scientific language into spoken and written come-ons.

The quack may be selling copper bracelets to cure arthritis or a serum to cure cancer. The cancer quack imposes a two-fold problem. Not only is he wasting the money of the hopeful patient, but he is wasting time. And time, spent on a false cancer cure, may cost the person his life.

Pay no attention to oral promises or a friend's advice about health products or devices. Read the product's label be-

Mr. Farmer—
Mr. Rancher:

A recent study in this area has resulted in an upward adjustment in our loan values making it possible, in many cases, to make larger loans. For information about a loan on your farm or ranch come in soon—let us explain the many advantages of a Land Bank loan.

for you buy. False claims on labels are subject to prosecution; they therefore tend to be much more subdued than unpoliceable sales talk.

In any case, remember, your good health is worth \$25,000. Be wise, use only your physician's advice on your investment.

Fisher County 4-H Stage Round-Up of New Members

4-H members and their families with the assistance of Fisher County Agent, James Norman and Alice Kemp, staged a big round-up last Thursday night, Aug. 13, 1964. Activities were planned to stimulate interest in 4-H. Prospective 4-H members and their families were invited to attend this event held in the Agriculture Building, Fisher County Fair Grounds, Roby, Texas. Festi-

ties began promptly at 7:30 p.m. Over 100 people enjoyed games directed by 4-H members. Following a thrilled-packed evening of fun and excitement,

This 4-H Family Fun Night was the result of the ideas gleaned by 4-H members and leaders who attended various leader training camps and work shops held earlier this year.

The games were lead by Donnie Sheffield, Kenzie Green, Kay and Mike Seibert, Bobby Smith, Phillip Maberry, Sharon Mitchell and Janet Guelder. Directing the round-up was Mr. W. P. Seibert, assisted by Mrs. Jerry Maberry, Mr. and Mrs. W. D. Cleveland, Mrs. Thurman Terry, and Mrs. A. A. Smith. Judges of the events were: Mr. Thurman Terry, Mr. J. C. Sheffield, Mr. G. W. Crawford, Mrs. Howard Whitworth, and Mrs. Lucy Armstrong.

FAIRVIEW NEWS

By MRS. ELMER JOINER

Wonderful news this morning, rain and cool weather. After so many weeks of hot dry temperature it feels wonderful. Over an inch of rain fell Friday night, with showers falling this Monday morning and the weather man promised us more. We are just hoping that the one hundred, plus, weather doesn't return this year and even though the rains are late it will be of some benefit to the suffering cotton.

Revival services closed Sunday night at the Fairview church. Good crowds attended, had lots of good preaching and good singing. Last Thursday night we could count visitors from eight churches and had four preachers in the congregation. We were happy to see friends from other churches than Baptist, to come worship with us, in fact we appreciated everyone that came and especially those that came and helped with the special music. Although no visible results were seen, we never know what is in peoples hearts and what lasting effect could come from their being in the revival services.

Just about all the news we had out this way the past week was the rain and everyone going to church. Most of us thought we were too tired to go any where, after a ten day revival, not so with our remarkable Mr. and Mrs. Henry. After church services Sunday morning they went to Crosbyton, to visit a sister-in-law, Mrs. M. C. Henry, who is ill in that city, then they made it back to church Sunday night. Since they celebrated their golden wedding anniversary last year, we all think they are, as we said, pretty remarkable, and they do enjoy living.

Nancy Ford left at seven a.m. Sunday, for Dallas, where she will be in a cheer leaders

school, on the campus of S.M.U. this week.

Rev. and Mrs. Doyle Combs and children, Andrews, were visiting friends in the community last week and attended church services three nights. He is on vacation from his church, the Calvary Baptist, in Andrews.

Mr. and Mrs. Clois Henry and children, flew over from San Angelo, Friday, to visit his parents.

Rev. and Mrs. Frank Codington, Rev. and Mrs. Kenneth Leverett and girls, ate lunch with the Elmer Joiners, Sunday.

Mr. and Mrs. Joe Ford, learned that their little grandson Kyle Ford, was very ill in Odessa last week, after his parents Mr. and Mrs. Doug Ford and he, had visited with them last week end. He became ill while visiting in Odessa, but at this time was able to return

home, in New Mexico.

We were especially glad to see Mrs. J. E. Dutton and Lillie with us in church Friday night, they had the sorrow of losing Mr. Dutton a short while ago.

Winson Gray reports that his father, E. C. Gray, of Anson, is doing nicely after surgery in the Anson Hospital.

A fellowship hour was had on the lawn of the church Saturday night, with Cokes and cookies being served.

Mr. and Mrs. H. L. Ford, Spencer and Diane, Mr. and Mrs. Winson Gray and Mr. and Mrs. Woodrow Goodwin, went after church Sunday night, to have coffee and visit with Mr. and Mrs. John Beauchamp and Debra.

Over 50 tons of a certain tranquilizer pill are manufactured and used each month in the U. S.

School Insurance Program Same as In Past Few Years

The Hamlin Public Schools for the past several years have offered the children of the school accident insurance. This insurance is offered to the children at a cost of \$4.00 per year. The cost is the same as last year. The 24 hour, year-around coverage is only \$10.00 this year. We are very pleased with this insurance. The company paid in most cases 100% according to Supt. C. F. Cook.

The administration and teachers recommend that each child be insured under this policy. If any parents needs further information in regard to the insurance, they may call on any of the school personnel.

All students participating in sports are required to have this insurance. Also students in band, pep squad and other ac-

tivities that require transportation. If for any reason a parent does not insure their child, the school will need written responsibility by them because the school cannot assume all the responsibility.

The second day of school, material will be given each child explaining the coverage and other information. Parents are urged to read this completely and, if interested, send the envelope to the child's teacher.

No person on the school faculty receives any money for this service nor does any receive any part of the premium. This is only a service to the children from the school personnel and administrator.

Mr. and Mrs. Jack Truman Waldrop of 39 S. W. Ave. F. are the parents of a baby girl born Aug. 18. She weighed 7 lb. 6 oz. and was named Celia Monique.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — All available money and manpower of the Texas Water Commission is being dedicated to a long-range state water master plan.

Gov. John Connally authorized the agency to transfer money already appropriated by the Legislature for other purposes. Existing state plans, in Connally's opinion, "fall short of satisfying the water needs for all of Texas."

In 1961, the Commission produced a plan for meeting Texas water needs to the year 1980.

Both the U. S. Bureau of Reclamation and the U. S. Army Corps of Engineers, are coming up with their own long-range plans covering parts of Texas. They propose diversion of water from surplus areas like the Sabine to water-shy areas like the Nueces.

Connally said the federal government is considering a water pollution control bill which would supplant state authority in the field.

He urged the Commission to explore "all reasonable alternatives," including those contained in preliminary reports of U. S. Agencies.

The Governor indicated he will authorize other state agencies to cooperate in the crash program. He also pledged his help in any way possible and to recommend to the Legislature "necessary funds to fulfill this important responsibility."

STIFF GUN LAW URGED — Pressure from prosecuting attorneys is beginning to sift through to legislative candidates who are being urged to pass a gun registration law during the 1965 session in an attempt to reduce the crime rate and help police solve crimes.

Latest of the recommendations along this line comes from Dallas' District Attorney Henry Wade. Gun registration is on the list of the most controversial issues a legislature can tackle and proposals on the subject frequently are skirted.

TEXTBOOK PROTESTS PILE UP — About 500 individual letters and 39 petitions bearing some 3,398 signatures concerning three high school biology books have been received by Governor Connally, Education Commissioner J. W. Edgar, and the State Board of Education.

And more are arriving every day.

Most protesters claim three of the eight biology books being considered for public school adoption by the State Textbooks Committee have "an excessive amount of evolution in them."

All letters and petitions are being filed for the State Textbooks Committee to review, since Connally, Edgar and the State Board have no say on textbooks selection.

The 15-member committee has the task of picking five books each in 18 subjects from 226 books under consideration. Public then will have an opportunity to make formal com-

plaints about the biology texts, as well as any others which are considered "objectionable," before committee's selection list is submitted to individual school districts.

DROUTH AID — Sen. Ralph Yarborough announced here that 23 counties will qualify for drouth aid under two federal programs.

Eligible for emergency loans through the Home Administration are Brazoria, Dallas, Dawson, Falls, Gonzales, Har-

din, Hartley, Jefferson, Lavaca, Navarro, Wharton and Wilson counties.

Eligible for haying and grazing privileges until October 31 under a U. S. Agriculture Department program are Collin, Dallas, Donley, Easland, Freestone, Jones, Rockwall, Rusk, San Augustine, Scurry, and Taylor counties.

SALES TAX RAISE SUGGESTED — A Texas State Teachers Association spokesman last week suggested the Legislature raise additional funds for education through increasing the sales tax rate or remove present exemptions.

L. P. Sturgeon, TSTA public relations director, said a half-cent increase would raise \$50,000,000 a year and on across the boards amendment another \$16,000,000 TSTA is driving for a \$45 a month increase in teachers' pay.

If Texans paid the same amount of taxes as citizens of

neighboring states, argued Sturgeon, Texas would have enough money for public school and higher education improvements.

NEW RANGER NAMED — Toliver H. Dawson of Del Rio was named a Texas Ranger by Department of Public Safety Director Homer Garrison Jr.

Dawson, who first served as a highway patrolman at Alpine, will be stationed in the Carriazo Springs area. He succeeds the late Wiley Williamson of Gonzales on the 62-man force.

SHRIMPERS REMINDED

OF DEADLINES — Texas shrimpers were reminded by the State Parks and Wildlife Agency of the August 15 opening of the shrimp season in coastal bays. Also called to their attention was the August 31 deadline for renewing commercial licenses.

September 1 to August 15 has been designated as the Fall shrimp season in Sabine

PAGE SIX

The Hamlin Herald Thursday, August 20, 1964

Lake.

A new regulation to prevent bait shrimp from being sold on the commercial food market also was announced for Gulf waters of Jefferson and Orange counties.

HUNTING 'ON THE CUFF' — Almost one out of every three Texans hunt "on the cuff," or without having to buy a license, according to J. Weldon Watson, executive director of the Parks and Wildlife Department.

Watson said that last year 230,000 of the 740,000 Texans licensed to hunt secured exempt licenses without cost to them. Others paid the usual \$3.15.

On the exempt list are persons aged 65 and older; those under 17; and those who can show they are hunting on their own land and live on that same

property.

Watson said 2,350,000 licenses for hunting and commercial fishing uses now are available from 2,800 official deputies of the Parks and Wildlife Department.

AIRPORT FUNDS — Atty. Gen. Waggoner Carr advised the Texas Aeronautics Commission's director, Frank W. Raymond Jr., that the Legislature could amend the State law to authorize the State to appropriate funds to incorporate cities for construction of airports and navigation facilities without violating the constitution.

Commission is expected to seek a legislative sponsor for this type of bill.

SHORT SNORTS

Governor Connally reports that 531 Historical Markers will be erected along State

highways during the next 30 months. Scrap Ivory is burned to form a black pigment for artists.

50 Boys Taking Part in Piper Football Workouts

About 50 boys are taking part in the twice-a-day workouts that started here Monday as the Piper Pipers start getting ready for another football season, according to Head Coach D. C. Andrews.

Andrews has five starters back this year and six other boys who lettered last year as he prepares for one of the toughest schedules ever faced

by a Piper eleven. Thirteen seniors, 12 juniors, 10 sophomores, and 13 freshmen were working out by Tuesday afternoon.

The boys and their coaches are having to do a lot of skill practice this year as they have changed formations. The Pipers will operate from the Wing-T formation with several variations rather than the bas-

ic straight T that they have used in the past. The boys will run from six different variations of the Wing-T with split ends, strong side lines and variations on the location of the wingback.

The team will scrimmage Clyde here Thursday, August 27, in the one scrimmage allowed this year under the current regulations.

The six starters back this year are Robert Pearce, Rupert Compton, Johnny Overman, Mike Shivers, Charles Prewitt and George Bonds. The coaches are still working on their starting lineup for this season and expect to field a strong starting lineup for this season.

Andrews will be assisted again by the same coaches as last year: Sam Walker, Jerry Larned, Dan Truelove and Grady Allen, junior high coach.

The boys will be introduced to the local fans at a free barbecue to be sponsored by the Piper Booster Club, Saturday night at the football stadium.

The boys will open the season here Sept. 4 with Rotan.

1.63 Inches Rain Falls Here Since Friday Evening

Rains here since Friday amounting to 1.63 as gauged at the City Pump Station have brought temporary relief from the above 100-degree temperatures.

The rains have been quite spotted and some areas have received heavy showers while others have received very little moisture. The area north of Hamlin, Hilton and McCaulley have gotten more rain than the areas south of here.

Just last week Hamlin was made eligible for haying and grazing privileges on diverted cropland because of drought conditions. Even though the rains have been spotted the grazing land has benefited to some degree from the moisture.

W. W. Fletcher, manager of the Hamlin Farmers Coop Gin, said Wednesday that it would probably be about three weeks before the effects of the rains on the cotton could be determined. He said a good general rain of three to four inches is still needed to assure a good cotton crop.

The water level at Hamlin's South Lake has not risen after the recent rains. The watershed of the lake is mostly farmland and tanks on the watershed have to fill before the lake begins to get the run-off. The lake area received about two inches Friday and .06 Tuesday according to J. C. Cagle, lake keeper. The water is about seven and one-half feet from the spillway.

The city of Hamlin purchases water from Lake Stamford, and does not depend on the two lakes for public water supply although South Lake is a popular fishing spot and the West Lake is used for water sports.

The official readings for Hamlin were Friday evening, 1.10; Monday morning .07; Tuesday afternoon .46.

Local Schools Getting Ready for Fall Term

Superintendent of the Hamlin school system, Mr. C. F. Cook, announces that the Hamlin schools will open Monday, August 31, 1964. Registration for high school was held this week. Students in junior high and DePriest schools will register next week.

A general faculty meeting will be Thursday, Aug. 27, at 10:00 a.m. in the high school cafeteria.

Inservice teacher training will be held two days, Thursday and Friday at 10:00 a.m. in their respective buildings.

Superintendent Cook said the roster of the faculty is almost complete.

The buses will run the same routes and at the same times as last year. Dan Truelove and Fred Boen will be the drivers for the Hilton route, bus number 12. Sam Walker will drive bus 13 on the gravel pit route.

Other drivers and their routes are as follows: J. L. Starr, No. 14, colored route; Jerry Larned and M. S. Johnson, No. 15, Celotex route; Wayne Hodnett, No. 16, Wise Chapel; Grady Allen and H. L. Tudor, No. 17, H. L. Tudor; Gus Young, No. 20, Tuxedo; Johnson, city bus.

The buses will run their regular schedule Aug. 31.

The lunch rooms will be open the first day of school. The prices will be as follows: primary, 30c; elementary, 30c; junior high 35c; high school 40c.

The prices are the same by the month or by the day. All school faculties are complete except Oscar DePriest which is expected to be completed this week. DePriest teachers will be announced next week.

Other teachers in the Hamlin Public Schools are as follows: Primary school — Mrs. Fred Smith, principal and second grade; Mrs. Charles Connally, Mrs. R. B. Hennington, Mrs. Harold Williams and Mrs. Jerry Larned, first grade; Mrs. Leldon Clifton, Mrs. Joe Nor-

ton, second; Miss Viola Avants, Mrs. Harvey Elkins, Mrs. D. W. Stell, third.

Elementary school — Miss Odean Murphree, principal and fifth grade, Mrs. Ethel Allan, Mrs. Tim Jones and Mrs. F. F. Shout, fourth; Mrs. Earl Brown and Miss Maggie Seymour, fifth.

Junior high school — Marvin

D. Carlton, principal; Mrs. S. C. Ferguson, science; Grady Allen, coach; Mrs. Weldon Griggs, art; Mrs. E. N. Jenkins and Mrs. Edgar Lewis, language arts; Kenneth Leverett and Mrs. Weldon Johnson, social studies; Mrs. Willard Maberry, music; Miss Lola Milstead and Mrs. H. D. Stallcup, math.

High school — C. F. Cook,

superintendent; B. V. Newberry, principal; D. C. Andrews Jr., coach and math; T. C. Blankinship and Milburn Wink, agriculture; Mrs. Alra Felts, and Mrs. James Simmons, homemaking; Mrs. L. R. Fowler and Mrs. J. B. Jayroe, English; Mrs. Everett Gibson, history; Tim Jones, band director; Jerry Larned, coach and biology; Miss Dora Mitchell, commercial; Mrs. Dewey Nunley, librarian and English; Mrs. Charles Scott, English and Spanish; Dan Truelove, coach and algebra; Samuel W. Walker, coach and history; Harold L. Williams, science; Gus Young Jr., Math.

Other school employees — Mrs. Loyd Burkhardt, secretary to principal; Mrs. J. O. Murphree, secretary to superintendent; Mrs. Erma Wallace, nurse; M. S. Johnson, bus machine; Haskell W. Carter, tax collector.

PRIMARY

Mrs. Fred Smith, principal of the primary school, announces that all students in the first three grades will need to be present at 8:30 a.m. Monday, August 31, and will need to have their school supplies in order to do their work.

The children will be assigned to their respective rooms and the names will be posted on the door of the classroom.

The first grade children will be dismissed at 2:40 p.m. and the second grade children will be dismissed at 3:15 p.m. All first and second graders who ride the bus will wait in the assigned room and will be supervised by a teacher of their respective grade. The third grade classes will be dismissed at 3:40 p.m.

Supplies needed for primary grades are as follows:

First: No. 8 crayolas, scissors, Big Chief tablet, large pencil, paste, school box (cigar type), large towel or throw rug and \$2.00 for practice books and other supplies.

Second: Big Chief tablet, No. 2 pencil, No. 16 crayolas, scissors, construction paper, Elmer's glue, school box (cigar type) and \$2.00 for practice books and other supplies.

Third: notebook, notebook paper, crayolas, scissors, ruler, No. 2 pencil, school box (cigar type) and \$2.00 for practice books and other supplies.

ELEMENTARY

Registration for fourth and fifth grade students will begin at 8:30 a.m. Monday, Aug. 31, according to Miss Odean Murphree, principal of the elementary school.

The names of all students who were enrolled in the Hamlin schools last year will be posted on the door of the room to which they should report. All new students will be registered by either of the teachers of their grade.

Students will remain at school after registration for a full day's schedule of work.

JUNIOR HIGH

Principal Marvin D. Carlton of Hamlin Junior High School announced pre-registration for junior high school students Monday, August 24. Seventh and eighth grade students will pre-register at 9:00 a.m. and sixth grade students at 10:30 a.m.

Students will need their report cards from last year. Textbooks will be issued.

OSCAR DEPRIEST

Registration for all students at Oscar DePriest School will be held Friday, Aug. 28 at 8 a.m.

Pupils from other schools entering Oscar DePriest for the first time must have report cards from the school last attended. All six year olds entering school for the first time are required to have birth certificates.

Teachers will meet at 8 a.m. Thursday, Aug. 27, for a planning session.

FREE BARBECUE PLANNED HERE SATURDAY BY BOOSTER CLUB

Pied Piper football fans will have an opportunity to meet the 1964 Piper squad here Saturday night as the Piper Booster Club hosts a free barbecue to launch their membership drive. The family night affair will be held at the football stadium at 7:30 p.m.

The football boys and their coaches will be introduced after the meal and arrangements have been made for the Piper Band to furnish entertainment. Memberships in the booster

club will go on sale that night at \$3.00 for an individual and \$5.00 per couple.

The entire family has been invited to the free supper.

The following Hamlin merchants and friends have made the barbecue possible through their donations: Burt Oliver Oil Co., A. E. Killian, Alton Mayfield, Weaver Texaco Service Station, Howard Drug, Safeway Store, Wilson Brannon, Ideal Barber Shop, Waggoner Drug, Johnny Bryant, Nunley Plumbing, Carl Murrell Chevrolet, Pied Piper Mills, Simpson Grocery, Dr. E. J. Hawkins, Wells Humble Service Station, Hamlin Auto Parts, West Texas Utilities, Franks Dept. Store.

Farmers and Merchants National Bank, Feagan Oil Co., Hamlin Herald, Piggly Wiggly, White Auto Store, John Scarborough, W. S. Jackson, J. M. McDonald, J. S. Inzer, Heidenheimers, Wesley Nail, Reynolds' Drug Store, Haskell Carter, Joe Hudspeth, Connally Fort Sales, Pete Bond, Welding Service, Gene Prewitt, Paul Cooper, Rockwell Bros. and Co., R. Y. Barrow, Henry Albritton, J. C. Turner, Bill's Superette, Carter's Dairy Cream, Buddy Wells Service Station, Callens George, Lee Hastings, and Western Auto Store.

Public Hearing on County Budget Set For Thurs., Sept 3

Budget for Jones County is now being prepared by Judge Leon Thurman and Carl Savage, auditor. A public hearing has been set for Monday, Sept. 3, starting at 10 a.m. Hearings by the commissioners as an equalization board have been completed and it appears the new tax valuation of the county will be slightly in excess of \$31,000,000. For the year 1963, the valuation figure stood at \$25,491,000.

Judge Thurman said no definite figure had been agreed upon as a tax rate but it appeared the 74-cent rate of last year would be used. It is possible, the judge continued, that the tax rate for Road District No. 1 might be reduced from 29 to 28 cents.

Camp Fire Swim To Be Held Tuesday

The swimming party originally set for Tuesday evening of this week was postponed to Tuesday, Aug. 25, because of rain.

The Hamlin Camp Fire Council is sponsoring the party for all registered members of the Camp Fire Girls and Blue Birds.

The girls will swim from 6 to 8 p.m. at the Hamlin Swimming Pool.

Albrittons Win Bridge Contest

Mr. and Mrs. Henry Albritton won first at the Hamlin Duplicate Bridge Meeting Tuesday night. Jack Russell and Dan Gallagher were second and Mrs. Floyd Ericson and Mrs. W. O. Wilbanks were third.

The next meeting will be on Tuesday, August 25, at the Oil Mill Guest House beginning at 7:00.

V. R. Leverett Resigns at Old Glory School

The Old Glory School Board has announced the resignation of V. R. Leverett as Superintendent. Mr. Leverett has accepted the position of Superintendent of Wylie Schools. He replaces R. H. Landers, who is taking a year's leave of absence.

Mr. Leverett has been superintendent of Old Glory Schools for ten years, coming here from Monday in 1954 where he held a coaching position. He has also taught and coached at Clyde and in Jones County.

He has a B. S. Degree from Abilene Christian College and received his M. E. Degree from Hardin-Simmons University.

Besides being superintendent, Mr. Leverett also taught Driver Education, coached tennis and grade school basketball. His girls tennis teams won Class B state championships for the school in 1962, 63 and 64. This year both girls singles and doubles teams won the state championship.

During his term at Old Glory, a water line was built to the school that serves the entire town, the gym has been remodeled, a new cafeteria and four teacherages were built.

Mr. Leverett is a member of the Church of Christ. He has four children, Mrs. Ronnie Matthews and V. R. Jr. of Abilene, Sharon, a student at ACC and Jimmy, an eighth grader. Mrs. Leverett plans to stay at Old Glory for a while this year to teach the 3rd and 4th grade.

He will be replaced by Mr. J. L. South of Abilene. Mr. South was formerly a teacher and superintendent of the Peacock Schools in Stonewall County.

Pool to Close Here Saturday, Aug. 29

The Hamlin Swimming Pool will close for the season Saturday, August 29, according to the operator, Dan Truelove. Season tickets not used this year will not be valid next year. The pool is open afternoons Monday through Saturday and closed on Sunday.

Mr. and Mrs. P. A. Lander and their granddaughter, Wendy Smith of Houston visited Mrs. Lander's parents, Mr. and Mrs. G. W. Higdon.

Public Hearing Set on Placing County Under Herbicide Act

Action toward placing Jones County under provisions of the Texas herbicide act was taken at the meeting of the commissioners court last week and a public hearing on the action has been set for Monday, September 3, at 2 p.m.

At this meeting all dealers, handlers and users of hormone type herbicides are asked to be present to show cause why the court should not recommend to the state commissioner of agriculture that Jones County be included.

Purpose of the herbicide act (H. B. 402) is to regulate the sale, use and transportation of herbicides. Licenses are required of sellers and permits must be obtained by users. Customer applicators must have their equipment inspected at regular intervals and must be licensed.

Under terms of the law, a herbicide is "any substance or mixture of substances that produce a physiological change in any plant tissue without burning, such as 2, 4-D, 2, 4, 5-T, and their derivatives and used for the purpose of destroying, repelling or mitigating any weed."

Dealers must obtain a license and must keep a record of all sales of herbicides sold in containers having a net capacity of more than 8 fluid ounces.

Before an application of a herbicide can be made, a permit must be obtained from the Texas Commissioner of Agriculture. However, no permit is necessary where the herbicide is used on lawns or on a total acreage in any one year less than 10 acres.

All applicators must keep a record of the area treated and these records must be kept for two years. Custom applicators must make a surety bond of \$20,000 and this bond must be increased by \$2,000 for each piece of spraying equipment licensed for the work.

Cost of spraying permits may run 10 cents an acre with this figure to be set by the commissioner. No permit will be issued for the application of powder or dry type herbicide and application of this type at any time constitutes a violation of the law.

All herbicides shall be applied according to the rules and regulations as set up by the commissioner of agriculture and it is the joint responsibility of the applicator and custom applicator to supervise the application in compliance with the rules and regulations.

Violation of provisions of the act constitute a misdemeanor. The act sets out the following as violations: To spray without a permit, to sell without a license, to operate equipment without a license or to fail to keep and submit records if such are required.

Alman Second Class George A. Deel is visiting his parents, Mr. and Mrs. Bill Deel. He is on leave after completing a 30-day rescue and survival course at Gunter Air Force Base, Montgomery, Ala. He will return to Elexon Air Force Base in Fairbanks, Alaska.

More Divisions, More Prizes Added for Homecoming Parade

Plans for the parade to be held in connection with the annual Homecoming of ex-students and teachers of Hamlin High School are being made by Mrs. Robert Fowler and Mrs. Garland Preston, chairmen. The parade will be held at 11 a.m. Saturday, Sept. 19.

The parade chairmen said this week that more divisions had been included and more prizes would be given for this year's parade floats and entries.

The school classes and organizations will be able to compete in either the beauty division or the open division.

Burnia Reid Gins First Bale Here

Burnia Reid received a \$50 check from the Hamlin Board of Community Development for bringing in the season's first bale of cotton. Reid, farming the W. L. Hunter Estate, three miles south of Hamlin, took the 1900 pounds of cotton to the Farmers Cooperative Gin of Neinda last Tuesday. It was processed after the gin was put into operation Friday morning producing 800 pounds of cotton and 425 pounds of lint, according to Hollis Madden, manager. E. J. Whaley, chairman of the agriculture committee presented the check to Reid at the Tuesday morning BCD board meeting.

The cotton was pulled from about 20 acres.

Annual Fisher 4-H Rally Day To Start Today at 9:30 a.m.

The Annual Fisher County 4-H Rally Day will be Aug. 20. The program will begin at 9:30 with registration and recreation.

At 10:30 a program on Isometric contraction, new physical fitness training program being used by several colleges and high schools in training athletes, Curly Hayes of West Texas Utilities will be in charge of the program which will be presented by Coach James Glenn of Cooper High School, Abilene and several of his athletes.

The noon meal will be a sack lunch and cold drinks. Following the meal, demonstrations will be presented by 4-H members.

At 2:00 p.m. the party will swim in the pool at Rotan. 4-H members planning and conducting the program are Kay Schubert, Sharon Mitchell, Janet Guelker, Donnie Sheffler, Kenneth Green, Sandra Herron, Rebekah Crawford, Annette Cleveland, Deborah Sue Smith, and Michael Schubert. These 4-H'ers will be assisted by County Extension Agents Alice Kemp and James Norman, and Junior Assistant Extension Agent Mrs. Barbara Dumaway.

Boys and girls interested in 4-H and friends of 4-H are invited to attend, said the program committee.

Visiting the Norman Carltons Sunday were Mr. and Mrs. Joe Carlton, Sarah and Kate of Tuxedo.

Cotton Defoliation Meeting Set Here Monday at 2 p.m.

There will be a cotton defoliation and mechanical harvesting meeting in the Hamlin High School cafeteria at 2:00 p.m. Monday, August 24, according to information this week from County Agent Kirby Clayton.

Mr. Fred Elliott, Cotton Work Specialist and B. G. Reeves, Cotton Gin Specialist with the Texas A and M University Extension Service will be on hand to present the information. All cotton farmers are invited to attend.

The specialist will also present a special program to the Stamford Young Farmers group on Monday night in the Agricultural Building.

Mrs. Ned Moore To Attend Annual C of C Meeting

Mrs. Ned Moore, secretary of the Hamlin Board of Community Development, will attend the annual conference of Chamber of Commerce managers and the West Texas Chamber of Commerce short course to be held in Amarillo Thursday, Friday and Saturday.

The program is being planned to include tourism, city management, industry, humor, chamber management, and other topics to be of interest to managers, secretaries, and others interested in the chamber of commerce work.

Mr. and Mrs. Tommy Hogan are visiting their parents, Mr. and Mrs. George Bury of Hamlin and Mr. and Mrs. Tom Hogan of Noodle. Hogan is manager of Stuckey's on Interstate 10 east of San Antonio. Mrs. Hogan is the former Sandra Bury.

Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 3, 1964.
SENATE JOINT RESOLUTION NO. 6 proposing an amendment to Section 5 of Article VII of the Constitution of the State of Texas so as to remove the authorization to transfer not exceeding one per cent annually of the total value of the permanent school fund to the available school fund.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. Section 5 of Article VII of the Constitution of the State of Texas is amended to read as follows:
"Section 5. The principal of all bonds and other funds, and the principal arising from the sale of the lands hereinbefore set apart to said school fund, shall be the permanent school fund, and all the interest derivable therefrom and the taxes herein authorized and levied shall be the available school fund. The available school fund shall be applied annually to the support of the public free schools. And no law shall ever be enacted appropriating any part of the permanent or available school fund to any other purpose whatever; nor shall the same, or any part thereof ever be

TIPS FOR OUTDOORSMEN

by Vern Sanford

Strengthening the Jig

Here's a tip for salt-water fishermen who find that mackerel, kingfish, etc., can chew up jig feathers fast and also cut the threads that hold a jig together. Just cover the thread with fine wire, then paints.

Hub Cap as Frying Pan

Who'd even think of using a hub cap (wheel cover) from an auto as an emergency frying pan? It works!

Sew Leader to Fly Line

A needle helps you make a neat attachment of a leader to a fly line.

Thread leader through needle then run the needle up the

core of the fly line for a half inch. Bring leader out and wrap around fly line at that point.

To Locate Dogs

If you're a coon hunter, try putting some strips of reflective tape on the collars of your hounds. It makes them stand out clearly in the beam of light.

Clean Trophies With Bread

Best way to clean duck and lint off valuable game or fish mounts is with a piece of fresh bread.

Helps Assemble Rod

Aligning a fishing rod can be difficult in the weak light of early morning.

To quickly put your rod together under such conditions, try setting up the rod at home. Then put a dot of white paint on the male and female ferrule, one above the other.

All you need to do then is align the dots.

Handy Camera Case

A U. S. Army canteen holder makes a strong, light case to protect your camera. Also keeps it snugly on your waist.

Parents of Boy

Mr. and Mrs. Joe Cowan of Dallas are the parents of a baby boy born August 8. He weighed 6 lb. 14 oz. and was named Joseph Craig.

The maternal grandparents are Mr. and Mrs. Henry Albritton and the paternal grandparents are Mr. and Mrs. E. W. Cowan both of Hamlin.

Lost and Found

LOST: 10000 x 15 tire mounted on six hole bunn wheel lost on Highway 92 between Hamlin and 10 miles west of Hamlin. \$20 reward for return to Henson Drilling Co. Abilene, OV 2-3646. 33-1c

Superintendent Cook Tells of School's Condition as Term Starts

In preparation for the opening of a new school term, Mr. C. F. Cook, superintendent of Hamlin Public Schools, has released the following statement which should interest many parents and other citizens as well.

As the beginning of another school year approaches, it is appropriate that we consider our present education situation in Hamlin and the direction of the future.

"All school administrators and local Board of Education are constantly faced with problems which offer no simple solution. In the Hamlin school district, we must constantly re-evaluate our objectives and always ask, 'what is the proper role of education?' Two of the paramount problems are closely associated — the rising cost of supplies and equipment and insuring adequate financial support for these demands.

"Citizens of the district have met the challenge of providing necessary school facilities for this community.

"The Hamlin Board of Education has adopted a budget for 1964-65. The loss in values for depletion of oil was \$284,366.00. The local assignment from the State has risen, this is a loss of State funds annually to \$2,525.00.

"The Board of Education has cut the budget this amount in order not to raise taxes. We can depend on a loss of oil value each year in the future. The loss must be made up by other local sources.

"In addition to buildings and teachers, support for education is essential. When parents recognize achievement in school as being important, their attitude is reflected in their children. Effective education demands a close partnership between home and school, which must be based on mutual understanding and respect.

"At this point in the history of our country, we must do a better, more thorough job of educating our youth than we have ever before dreamed of doing. Our leadership is being

challenged by other nations. The road to survival is through education. We Americans must commit ourselves more deeply to strengthening our educational system. As our schools go, so our nation will go, for the successes or the failures of our public schools will influence profoundly our national destiny. Wisely, the choice has been placed in the hands of the citizens of each school district as to the quantity and quality of education which they wish to provide.

"A democracy demands of its education both quantity and quality. Never before have so many been educated so well as in the United States. These achievements have been the results of constant efforts to experiment, spurred by a desire to improve.

"The challenge of quantity has largely been met. Most of America's youth are in school and most classrooms have a teacher.

"But the challenge of quality is now more difficult to meet than ever. Attracting and retaining highly qualified teachers is a formidable problem. The body of knowledge that a secondary school must pass on to its students has expanded tremendously and growing at an enormous rate. An education would fail to fulfill its purpose unless it also contributed toward the progress of society.

"It is becoming increasingly clear that the residents of the Hamlin school district want the best of education for their children. As long as the residents are willing to support improvements with their tax dollars, the future looks bright for the youth of our community.

"We will continue to meet new challenges, and new problems. With the help and support of the good people of this community, we intend to meet each new challenge and to continue to provide a system of public education of which each member of our district can be justifiably proud."

C. F. Cook

Terry Ronald Scott To Receive Degree From Texas Tech

Terry Ronald Scott will be among the 550 graduates of Texas Tech in summer commencement exercises Aug. 22 at 7:15 in Lubbock Municipal Coliseum.

Scott, a 1960 graduate of Hamlin High School, will receive a bachelor of science degree in animal husbandry from the School of Agriculture.

Jerry Boyd Crowley To Graduate at A&M

Jerry Boyd Crowley will receive a bachelor of arts degree in mathematics from Texas A&M University Aug. 21 when the summer term ends.

Crowley will be one of 323 to receive bachelor degrees in the class of 535 graduates.

Mr. and Mrs. J. W. Carlton and sons, Russell and Roddy, of Uvalde visited his parents, Mr. and Mrs. Norman Carlton, last week end.

Rambler Classic 770 "Cross Country" Station Wagon

Year's best savings on a best-selling wagon!

Rambler's Year-End Selling Spree is on now. Even during the regular selling season you could save \$240 or more* over a top-size Ford or Chevrolet. Now you may save even more because Rambler dealers are really dealing to clear the decks for the '65s. You get smart, sporty looks and more V-8 power than the standard V-8 in a Ford or Chevrolet wagon. With Rambler, too, you get Double-Safety Brakes, Deep-Dip Rustproofing, and other advantages you can't get on the other two best-selling wagons.

Live a little—with your savings, choose from sporty options like reclining bucket seats, console, floor shift (manual or automatic), power steering, power brakes, power windows...and lots more. Drive a Classic wagon to see how much car you've been missing.

*Comparisons based on manufacturers' suggested retail prices for top-line 4-door wagons with V-8 engine, heater and front seat belts. Prices may vary with dealer's individual pricing policy.

Drive a Rambler Classic V-8 Wagon

Go where the deals are—Rambler's Year-End Selling Spree is now

AMERICAN MOTORS CORPORATION—DEDICATED TO EXCELLENCE

ALBRITTON MOTOR CO 145 SOUTH CENTRAL

Watch "On Broadway Tonight," starring Rudy Vallee on CBS-TV, Wednesday evenings.

Mr. and Mrs. Thomas Campbell To be Honored on Anniversary

Mr. and Mrs. Thomas F. Campbell will be honored on their Golden Wedding Anniversary August 23 with a reception in the home of their son, Mr. and Mrs. George Campbell, 420 Northwest Ave. H. Friends and relatives are invited to call from 2 to 6 p.m. Sunday afternoon.

Mr. Campbell, born July 4, 1891, in Abilene, is the son of the late Rev. John and Suphronia Campbell of Abilene. The Rev. Campbell pastored Methodist Churches and hauled water in Abilene in the early 1900's. He helped organize the First Methodist Church in Abilene.

Mrs. Campbell, the former Seeny Dora Burfeind, was born March 10, 1895, in Taylor County. She is the daughter of the late Mr. and Mrs. John H. Burfeind who farmed and operated the wagon yard at Merkel.

The couple was married at the wagon yard in Merkel by

Rev. Ed R. Wallace on August 23, 1914.

Mr. Campbell farmed and worked at odd jobs in Taylor County until they moved to Plasterco, near Hamlin, in July, 1921. He was employed at the Gypsum Plant until he retired in 1955.

Mr. and Mrs. Campbell are members of Central Avenue Baptist Church.

The couple's six children will be here for the Fiftieth Wedding Anniversary celebration. They have four sons, George of Hamlin, Frank of Houston, Wesley of Tye and Lester of El Monte, Calif.; two daughters, Mrs. A. S. (Minnie) Stewart and Mrs. J. T. (Dorothy) Millsap, both of Abilene; 19 grandchildren and six great-grandchildren.

A weekly public service feature from the Texas State Department of Health

Accent on Health

J. E. PEAVY, M.D.
—Commissioner of Health—

AUSTIN — Suppose you had \$25,000 to invest... where would you turn for advice? You have two choices — an amateur or a professional advisor.

The same goes for your health, whether you realize it or not. Good health, the experts say, is worth of a \$25,000 price tag.

Where will you turn for advice about your health-investment... your neighbor, a health quack or a physician?

Undoubtedly, your neighbor is both interested and concerned about your health and welfare. But beware words such as "I know someone who had just the same thing you do — and she..."

Stop listening right there. Only your doctor can diagnose you case, or Mrs. Jones's. Different disease may have similar symptoms.

Whatever the source, always question a cure-all or sure-fire remedy. Carrot juice will not cure varicose veins or gout. Yeast cakes will not rehabilitate weary and worn body cells. And wheat germ oil will not cure arthritis, gallstones, cirrhosis of the liver or epilepsy.

Above all, beware of the health quack. This self-designated health authority is a fake. He is intensely interested in you... not in your welfare, but your money.

The old-time medicine show pitchman has given way to a much more suave and impressive scientific operator. Today the bogus health expert usually dribbles impressive scientific language into spoken and written come-ons.

The quack may be selling copper bracelets to cure arthritis or a serum to cure cancer. The cancer quack imposes a two-fold problem. Not only is he wasting the money of the hopeful patient, but he is wasting time. And time, spent on a false cancer cure, may cost the person his life.

Pay no attention to oral promises or a friend's advice about health products or devices. Read the product's label be-

Mr. Farmer —
Mr. Rancher:

A recent study in this area has resulted in an upward adjustment in our loan values making it possible, in many cases, to make larger loans. For information about a loan on your farm or ranch come in soon—let us explain the many advantages of a Land Bank loan.

for you buy. False claims on labels are subject to prosecution; they therefore tend to be much more subdued than unpoliceable sales talk.

In any case, remember, your good health is worth \$25,000. Be wise, use only your physician's advice on your investment.

Fisher County 4-H Stage Round-Up of New Members

4-H members and their families with the assistance of Fisher County Agent, James Norman and Alice Kemp, staged a big round-up last Thursday night, Aug. 13, 1964. Activities were planned to stimulate interest in 4-H. Prospective 4-H members and their families were invited to attend this event held in the Agriculture Building, Fisher County Fair Grounds, Roby, Texas. Festi-

ties began promptly at 7:30 p.m. Over 100 people enjoyed games directed by 4-H members. Following a thrilled-packed evening of fun and excitement,

This 4-H Family Fun Night was the result of the ideas gleaned by 4-H members and leaders who attended various leader training camps and work shops held earlier this year.

The games were lead by Donnie Sheffield, Kennie Green, Kay and Mike Scubert, Bobby Smith, Phillip Maberry, Sharon Mitchell and Janet Guelder. Directing the round-up was Mr. W. P. Scubert, assisted by Mrs. Jerry Maberry, Mr. and Mrs. W. D. Cleveland, Mrs. Thurman Terry, and Mrs. A. A. Smith. Judges of the events were: Mr. Thurman Terry, Mr. J. C. Sheffield, Mr. G. W. Crawford, Mrs. Howard Armworth, and Mrs. Lucy Armstrong.

FAIRVIEW NEWS

Wonderful news this morning, rain and cool weather. After so many weeks of hot dry temperature it feels wonderful. Over an inch of rain fell Friday night, with showers falling this Monday morning and the weather man promised us more. We are just hoping that the one hundred, plus, weather doesn't return this year and even though the rains are late it will be of some benefit to the suffering cotton.

By MRS. ELMER JOINER

Revival services closed Sunday night at the Fairview church. Good crowds attended, had lots of good preaching and good singing. Last Thursday night we could count visitors from eight churches and had four preachers in the congregation. We were happy to see friends from other churches than Baptist, to come worship with us, in fact we appreciated everyone that came and especially those that came and helped with the special music. Although no visible results were seen, we never know what is in peoples hearts and what lasting effect could come from their being in the revival services.

Just about all the news we had out this way the past week was the rain and everyone going to church. Most of us thought we were too tired to go any where, after a ten day revival, not so with our remarkable Mr. and Mrs. Henry. After church services Sunday morning they went to Crosbyton, to visit a sister-in-law, Mrs. M. C. Henry, who is ill in that city, then they made it back to church Sunday night. Since they celebrated their golden wedding anniversary last year, we all think they are, as we said, pretty remarkable, and they do enjoy living.

Nancy Ford left at seven a.m. Sunday, for Dallas, where she will be in a cheer leaders

school, on the campus of S.M.U. this week.

Rev. and Mrs. Doyle Combs and children, Andrews, were visiting friends in the community last week and attended church services three nights. He is on vacation from his church, the Calvary Baptist, in Andrews.

Mr. and Mrs. Clois Henry and children, flew over from San Angelo, Friday, to visit his parents.

Rev. and Mrs. Frank Codington, Rev. and Mrs. Kenneth Leverett and girls, ate lunch with the Elmer Joiners, Sunday.

Mr. and Mrs. Joe Ford, learned that their little grandson Kyle Ford, was very ill in Odessa last week, after his parents Mr. and Mrs. Doug Ford and he, had visited with them last week end. He became ill while visiting in Odessa, but at this time was able to return

home, in New Mexico.

We were especially glad to see Mrs. J. E. Dutton and Lillie with us in church Friday night, they had the sorrow of losing Mr. Dutton a short while ago.

Winson Gray reports that his father, E. C. Gray, of Anson, is doing nicely after surgery in the Anson Hospital.

A fellowship hour was had on the lawn of the church Saturday night, with Cokes and cookies being served.

Mr. and Mrs. H. L. Ford, Spencer and Diane, Mr. and Mrs. Winson Gray and Mr. and Mrs. Woodrow Goodwin, went after church Sunday night, to have coffee and visit with Mr. and Mrs. John Beauchamp and Debra.

Over 50 tons of a certain tranquilizer pill are manufactured and used each month in the U. S.

School Insurance Program Same as In Past Few Years

The Hamlin Public Schools for the past several years have offered the children of the school accident insurance. This insurance is offered to the children at a cost of \$4.00 per year. The cost is the same as last year. The 24 hour, year around coverage is only \$10.00 this year. We are very pleased with this insurance. The company paid in most cases 100% according to Supt. C. F. Cook. The administration and teachers recommend that each child be insured under this policy. If any parents needs further information in regard to the insurance, they may call on any of the school personnel. All students participating in sports are required to have this insurance. Also students in band, pep squad and other ac-

tivities that require transportation. If for any reason a parent does not insure their child, the school will need written responsibility by them because the school cannot assume all the responsibility.

The second day of school, material will be given each child explaining the coverage and other information. Parents are urged to read this completely and, if interested, send the envelope to the child's teacher.

No person on the school faculty receives any money for this service nor does any receive any part of the premium. This is only a service to the children from the school personnel and administrator.

Mr. and Mrs. Jack Truman Waldrop of 39 S. W. Ave. F. are the parents of a baby girl born Aug. 18. She weighed 7 lb. 6 oz. and was named Celia Monique.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN, Tex — All available money and manpower of the Texas Water Commission is being dedicated to a long-range state water master plan.

Gov. John Connally authorized the agency to transfer money already appropriated by the Legislature for other purposes. Existing state plans, in Connally's opinion, "fall short of satisfying the water needs for all of Texas."

In 1961, the Commission produced a plan for meeting Texas water needs to the year 1980.

Both the U. S. Bureau of Reclamation and the U. S. Army Corps of Engineers, are coming up with their own long-range plans covering parts of Texas. They propose diversion of water from surplus areas like the Sabine to water-shy areas like the Nueces.

Connally said the federal government is considering a water pollution control bill which would supplant state authority in the field.

He urged the Commission to explore "all reasonable alternatives," including those contained in preliminary reports of U. S. Agencies.

The Governor indicated he will authorize other state agencies to cooperate in the crash program. He also pledged his help in any way possible and to recommend to the Legislature "necessary funds to fulfill this important responsibility."

STIFF GUN LAW URGED — Pressure from prosecuting attorneys is beginning to sift through to legislative candidates who are being urged to pass a gun registration law during the 1965 session in an attempt to reduce the crime rate and help police solve crimes.

Latest of the recommendations along this line comes from Dallas' District Attorney Henry Wade. Gun registration is on the list of the most controversial issues a legislature can tackle and proposals on the subject frequently are skirted.

TEXTBOOK PROTESTS PILE UP — About 500 individual letters and 39 petitions bearing some 3,398 signatures concerning three high school biology books have been received by Governor Connally, Education Commissioner J. W. Edgar, and the State Board of Education.

And more are arriving every day.

Most protesters claim three of the eight biology books being considered for public school adoption by the State Textbooks Committee have "an excessive amount of evolution in them."

All letters and petitions are being filed for the State Textbooks Committee to review, since Connally, Edgar and the State Board have no say on textbooks selection.

The 15-member committee has the task of picking five books each in 18 subjects from 226 books under consideration. Public then will have an opportunity to make formal com-

plaints about the biology texts, as well as any others which are considered "objectionable," before committee's selection list is submitted to individual school districts.

DROUTH AID — Sen. Ralph Yarborough announced here that 23 counties will qualify for drouth aid under two federal programs.

Eligible for emergency loans through the Home Administration are Brazoria, Dallam, Dawson, Falls, Gonzales, Har-

din, Hartley, Jefferson, Lavaca, Navarro, Wharton and Wilson counties.

Eligible for haying and grazing privileges until October 31 under a U. S. Agriculture Department program are Collin, Dallas, Donley, Easland, Freestone, Jones, Rockwall, Rusk, San Augustine, Scurry, and Taylor counties.

SALES TAX RAISE SUGGESTED — A Texas State Teachers Association spokesman last week suggested the Legislature raise additional funds for education through increasing the sales tax rate or remove present exemptions.

L. P. Sturgeon, TSTA public relations director, said a half cent increase would raise \$50,000,000 a year and on across the boards amendment another \$16,000,000 TSTA is driving for a \$45 a month increase in teachers' pay.

If Texans paid the same amount of taxes as citizens of

neighboring states, argued Sturgeon, Texas would have enough money for public school and higher education improvements.

NEW RANGER NAMED — Toliver H. Dawson of Del Rio was named a Texas Ranger by Department of Public Safety Director Homer Garrison Jr.

Dawson, who first served as a highway patrolman at Alpine, will be stationed in the Carrizo Springs area. He succeeds the late Wiley Williamson of Gonzales on the 62-man force.

SHRIMPERS REMINDED

OF DEADLINES — Texas shrimpers were reminded by the State Parks and Wildlife Agency of the August 15 opening of the shrimp season in coastal bays. Also called to their attention was the August 31 deadline for renewing commercial licenses.

September 1 to August 15 has been designated as the Fall shrimp season in Sabine

PAGE SIX

The Hamlin Herald, Thursday, August 20, 1964

LAKE — A new regulation to prevent bait shrimp from being sold on the commercial food market also was announced for Gulf waters of Jefferson and Orange counties.

HUNTING 'ON THE CUFF' — Almost one out of every three Texans hunt "on the cuff," or without having to buy a license, according to J. Weldon Watson, executive director of the Parks and Wildlife Department.

Watson said that last year 230,000 of the 740,000 Texans licensed to hunt secured exempt licenses without cost to them. Others paid the usual \$3.15.

On the exempt list are persons aged 65 and older; those under 17; and those who can show they are hunting on their own land and live on that same

property. Watson said 2,350,000 licenses for hunting and commercial fishing uses now are available from 2,800 official deputies of the Parks and Wildlife Department.

AIRPORT FUNDS — Atty. Gen. Waggoner Carr advised the Texas Aeronautics Commission's director, Frank W. Raymond Jr., that the Legislature could amend the State law to authorize the State to appropriate funds to incorporate cities for construction of airports and navigation facilities without violating the constitution.

Commission is expected to seek a legislative sponsor for this type of bill.

SHORT SNORTS

Governor Connally reports that 531 Historical Markers will be erected along State

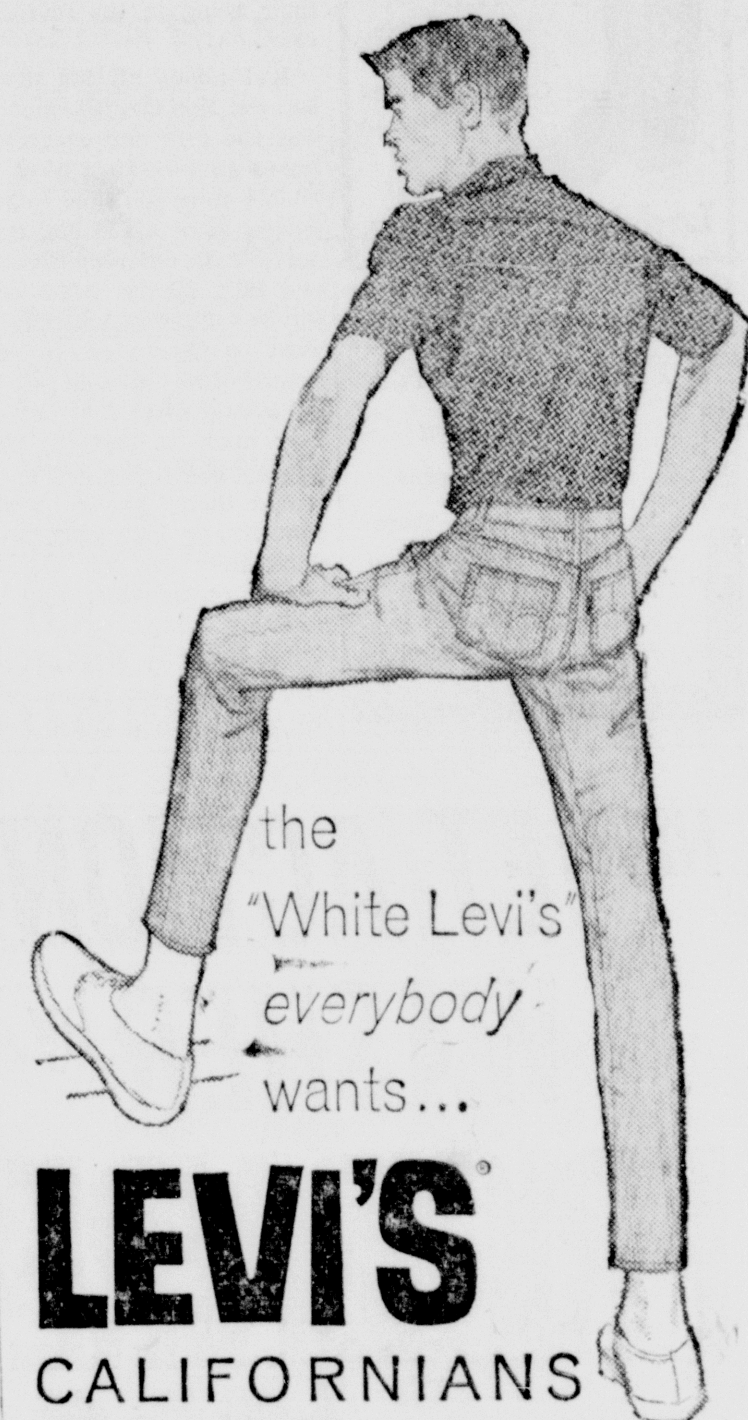

highways during the next 30 months. Scrap Ivory is burned to form a black pigment for artists.
